September 2020

PROFESSIONAL EXPERIENCE

Syracuse University

Syracuse, NY

IT Help Desk Assistant - Seasonal

September 2021 – May 2024

- Troubleshoot IT tickets related to wireless connectivity, printer issues, Zoom configurations, hardware continuity, and Windows 10/11 using Jira for task management.
- Installed and configured hardware on-site such as desktops, cables, and mobile devices for end users.
- Ensured audio/visual support for meetings, events, conferences, and webinars within an educational environment.
- Maintained asset inventory and documentation of support requests using the iSchool IT catalog.
- Thoroughly and transparently serviced end users utilizing professional communication, providing a satisfactory experience from the initial incident to closing documentation.

OUTFRONT Media

New York, NY

Front-End Web Developer - Internship

May 2023 – August 2023

- Enhanced responsive ad designs for multi-display compatibility using HTML, CSS, and JavaScript.
- Developed and tested web properties, integrating them into existing advertisement layouts via Bitbucket pipeline.
- Conducted cross-browser/accessibility testing for outfrontmedia.com, ensuring compliance with WCAG 2.1.

TECHNICAL PROJECTS

MERN Full-Stack App | *React.js, Node.js, Express.js, MongoDB, Stripe API*

Spring 2024

- Developed a MERN stack e-commerce site with Express.js routing and authentication middleware.
- Integrated Stripe API for seamless checkout and payment options within user flows.
- Created RESTful API endpoints for mock data retrieval using MongoDB, ensuring asynchronous functionality.
- Enhanced user experience through React libraries like React Router for efficient client-side navigation.

My Webpage V2 Front-End Portfolio | *JavaScript, React, SCSS, Next.js*

Spring 2024

- Designed a responsive personal website using modern CSS techniques and SCSS preprocessing.
- Optimized component logic by implementing React hooks for shared state management.
- Improved code maintainability by transitioning to modern JavaScript syntax.

SYSTEM ADMIN EXPERIENCE

Windows Server 2016 | *Hands-On Virtual Lab*

Spring 2025

- Installed and set up VirtualBox Windows Server 2016, linked clones, and RDP.
- Added Windows 10 client machines to Windows Server 2016 domain.
- Created and modified Active Directory template user accounts to hold various properties.
- Configured Windows Server 2016 domain settings, server name, TP/IP settings, and remote desktop.
- Created and linked Group Policy Objects (GPO) in Active Directory.
